

CONDITION OF THE ARMY GOOD ELECTION WILL BE HELD TODAY

Report of Brigadier General Thomas H. Barry, Who is Acting Chief of Staff.

OFFICERS BADLY NEEDED
HIGHER PAY URGED FOR ALL HANDS.

Washington, Dec. 4.—In his annual report, made public today, Brigadier General Thomas H. Barry, acting chief of staff, calls to mind the fact that the government is without water transportation facilities in cases of emergency in the movement of troops. He cites the case of the army of pacification in Cuba, and says that the lack of such transportation facilities was severely felt. "Had there been a small fleet of transports in reserve on the Atlantic coast the movement could have been accomplished much sooner."

Praise is given to the army as a whole for its adaptability and resourcefulness when dealing with novel and unprecedented conditions. General Barry giving as an illustration the work of the army during the San Francisco earthquake and fire.

Not Enough Officers.
General Barry declares that by reason of the number of cases detached for special and important duty the army is under-officered, and he urges legislation to correct this important defect.

The Brownsville, Tex., incident, involving the Twenty-fifth infantry, is merely touched on. "On the whole," says General Barry, "the discipline of the army is good and is usually a question of its official personnel and the manner in which they perform their duty. The enlisted men constitute an excellent body, and as a rule are cheerful under conditions of hard work and discomfort."

Higher pay for non-commissioned officers and privates is strongly urged.

HANDSOME NEW BUILDING ADORNS MARKET STREET.

New Store and Apartment Building Erected by the Houston Real Estate & Investment Company and O. J. Salisbury.

This is the latest building to be completed on Market street in the vicinity of the property purchased last week by Samuel Newhouse. The building is a two-story brick store and apartment structure owned and erected by the Houston Real Estate Investment company of Salt Lake and O. J. Salisbury of this city, at a cost of \$150,000. The building is the latest of a type that is in great demand at present along the streets intersecting lower Main street. They are rented by storekeepers who do a thriving business in a small way, and the apartment house plan of the second story has proved popular.

CANDIDATES.
Here are the candidates for members of the board of education to be voted on in today's election:

Ward.	Non-Partisan.	"American."
First.	Byron Cummings.	Alden E. Payne
Second.	Morton J. Cheesman.	Theron Geddes
Third.	William J. Newman.	Samuel M. Barlow
Fourth.	James T. Hammond.	William H. Tibbals
Fifth.	Henry P. Henderson.	Henry P. Henderson

Forty-eighth and Forty-ninth Districts—John M. Hayes, 734 East South Temple.
Fiftieth and Fifty-first Districts—G. B. Blakeley, 218 Iowa avenue.

WILL LOCATE THE BLAME AGAINST THE GOVERNMENT

Interstate Commerce Commission to Investigate Car Shortage in the Northwest.

Washington, Dec. 4.—The intentions and attitude of the interstate commerce commission respecting the car shortage in the northwest are made clear in a letter addressed to Senator Hansbrough by Chairman Knapp, which said:

"The inability of shippers to secure cars for the movement of their traffic is reported from various parts of the country and amounts, in some sections, to almost a calamity. This matter has given the commission special concern, although we appear to be without any adequate authority to deal with such a situation. We can exercise no direct power to compel interstate carriers to furnish adequate equipment nor are we prepared at this time to recommend specific legislation upon this subject."

Power is Not Certain.
Chairman Knapp said the commission could not award damages for delays resulting from failure to supply sufficient cars, but the power to do this is not altogether certain, and he says: "It would seem to be rather more suitable and efficient for aggrieved shippers to bring their suits in the courts in the first instance."

"We have, however, ordered an investigation of this matter of car shortage and will prosecute it with the utmost dispatch. Already one or more agents have been sent to the northwest, and it is expected that hearings will take place in that region within the next two weeks. This appears to be the most effective course the commission can take, and you may be assured that everything will be done within the scope of our authority to bring about the earliest possible relief."

Senator Hansbrough has written several letters to the commission calling attention to the car shortage, declaring the situation to be so serious as to amount almost to a calamity in some sections, and says that if the commission investigates at once there would be no difficulty in locating the blame.

Tremendous Reductions
this week on all Furs at Mehesy's \$60,000 sale. Knutsford Fur Store.

Public Speaker Interrupted.
Public speakers are frequently interrupted by people coughing. This would not happen if Foley's Honey and Tar were taken, as it cures coughs and colds and prevents pneumonia and consumption. The genuine contains no opiates and is in a yellow package. P. J. Hill Drug Co., "the never substitutes."

STOMACH PAINS

Dr. Williams' Pink Pills Brought Relief, and Cure for Splitting Headaches as Well.

Dr. Williams' Pink Pills, a remedy which has been before the American people for a generation, is still accomplishing wonderful results as is evidenced by the following interview with Mrs. Rachael Gardner, of Wilsey, Kans.

"It was very strange," she says, "I never could tell what caused it and neither could anybody else. For a long time I had had spells with my stomach. The pain would commence about my heart and was so deadly agonizing that I would have to scream aloud. Sometimes it would last several hours and I would have to take laudanum to stop it. Besides this I had a headache almost constantly, day and night, that nearly crazed me, so you see I suffered a great deal. And when I think of the agony I endured it still makes me shudder."

"Doctors," did you say? Their medicine made me sicker. I couldn't take it and I kept growing worse until a friend advised me to take Dr. Williams' Pink Pills, and I did. I began to feel better and was soon wholly converted to this wonderful medicine. It did me more good than I had ever hoped for. I kept on with the pills and now I recommend them to all who suffer."

Dr. Williams' Pink Pills have cured severe cases of indigestion, bloodlessness, influenza, headaches, backaches, lumbago, sciatica, neuralgia, nervousness and spinal weakness. The genuine Dr. Williams' Pink Pills are guaranteed to be free from opiates or any harmful drugs and cannot injure the most delicate system. At all druggists, or from the Dr. Williams Medicine Co., Schenectady, N. Y., postpaid on receipt of price, 50 cents per box, six boxes for \$2.50.

CUBANS NOT ENTHUSIASTIC

Liberals and Moderates Chary of Expressing an Opinion on the Message.

Havana, Dec. 4.—The message of President Roosevelt to the American congress was published in the local press this afternoon. No editorial comment on it was made. Liberal and moderate leaders are chary of expressing an opinion of the president's declaration regarding a Cuban policy, but the general view is that it does not differ materially from the statements made in the letter to Senator Quesada, the Cuban minister, last September, and that the Cuban minister is standing in the position of the final determination of the policy of the United States rests in the hands of congress. The Diario de la Marina tomorrow will say:

"While President Roosevelt's declarations relative to Cuba are in fact a paraphrase of his letter to Senator Quesada, the message contains the additional statement that if Cuba acquires the revolutionary habit it is impossible that the island's independence be maintained, for since the United States is the guarantor of the protector of life and property it would then be compelled to intervene anew. Although this sentiment already has been expressed by Senator Beveridge and Secretary Root, its reiteration by President Roosevelt gives it the final stamp of authority."

Commenting on the message the Post tomorrow will say: "That part of the message relating to Cuba is barely all that was expected, and those who thought that the present opposition to the president's Cuban plans would call forth an appeal stronger than usual for the prompt evacuation of the island and the restoration of the Cuban republic. Is the president getting lukewarm regarding Cuba? Possibly not, but whether or not, there is certainly not that ring of enthusiasm in his words regarding Cuba always noticeable in his utterances."

For the Ladies

LOS ANGELES ELECTION.
Los Angeles, Cal., Dec. 4.—Partial returns received at midnight indicate that A. C. Harper, the Democratic nominee for mayor, has been elected, and that his plurality over Lee Gates, the Non-partisan nominee, will be about 2,000. Dr. Lindley, the Republican nominee, polled a much smaller vote than was expected. Stanley B. Wilson, the Non-partisan candidate, was far behind the others. The returns to this hour for mayor are as follows:

Harper, 2,520; Gates, 1,782; Lindley, 1,277; Wilson, 597.

With the exception of the mayor, tax collector and the councilmen from the Seventh and Eighth wards, the Non-partisans claim the election of every candidate. In these instances, the victories are conceded to Republicans. A heavy vote was cast.

NO MEDICINE
But Change of Food Gave Final Relief.

Most diseases start in the alimentary canal—stomach and bowels. A great deal of our stomach and bowel troubles come from eating too much starchy and greasy food. The stomach does not digest any of the starchy food we eat—white bread, pastry, potatoes, oats, etc.—these things are digested in the small intestines, and if we eat too much, as most of us do, constipation is caused. I know now, from eating starchy and greasy food, so that fermentation, indigestion, and a long train of ailments result.

Too much fat also is hard to digest, and this is changed into acids, sour stomach, belching gas, and a bloated, heavy feeling.

In these conditions a change from indigestible foods to Grape-Nuts will work wonders in not only relieving the distress but in building up a strong digestion, clear brain and steady nerves. A Washington woman writes:

"About five years ago I suffered with bad stomach—dyspepsia, indigestion, constipation caused. I know now, from eating starchy and greasy food, so that fermentation, indigestion, and a long train of ailments result."

"I doctored for two years without any benefit. The doctor told me there was no cure for me. I could not eat anything without suffering severe pain in my back and sides, and I became discouraged."

"A friend recommended Grape-Nuts and I began to use it. In less than two weeks I began to feel better and inside of two months I was a well woman and have been ever since."

"I can eat anything I wish with pleasure. We eat Grape-Nuts and cream for breakfast and are very fond of it." Name given by Postum Co., Battle Creek, Mich. Read the little book, "The Road to Wellville," in packages. "There's a reason."

ESTATE OF MIFFLIN L. PALMER.
The undersigned will sell at private sale the real property hereinafter described, or any part thereof, situated in the county of Salt Lake state of Utah, on or after the 14th day of December, 1906, at 12 o'clock m., and written bids will be received at 32 McCormick block, Salt Lake City, Utah.
